**LUNCH - TAMPA BAY PATIO**

1:15 - 1:45 p.m.

(.5 B Credit)

**LAUGHTER AND ART MAY BE THE BEST MEDICINE** • Sally Scanlon, COA

This course will discuss how a light-hearted style of interactive games, videos, and brainstorming can put patients at ease during tedious or intimidating examinations. The importance of patient interaction is detailed, including tips for improving patient relations.

1:45 - 2:30 p.m.

(.75 A Credit)

**ZOOMING INTO PRE- AND POST-OPERATIVE CARE IN A FAST PACE AMBULATORY SETTING**

Eileen Beltramba, RN, BS, COT, CRNO

This course will focus on strategies for efficient admission and discharge of surgical patients. It will focus on the multidisciplinary approach of both nurses and ophthalmic medical personnel. Attendees will be able to identify three strategies for efficiency in the admission process and describe two strategies for effective post-operative discharge of a patient.

2:30 - 3:15 p.m.

(.75 A Credit)

**THE OPEN GLOBE** • Noreen Smith, RN

This course will discuss the prevention and treatment of the open globe. Participants will learn how to define open globe, how to differentiate between a perforating and penetrating injury, and how to identify the medical and surgical management of the open globe.
